

Microwave in the Canteen 14-11-2013

Proposed by: Kar Yik Dang

Union Notes:

1. Anglia Ruskin University has provided all students a
 - Helmore Restaurant
 - Helmore Coffee Bar
 - The Street Café
 - Café at Coslett
2. Anglia Ruskin University ensures high experience of students during the study at the campus.
3. Students' Unions play a vital role in developing student wellbeing of the student.

Union Believes:

1. All students are encouraged using the University's facilities including the catering system.
2. Food and drinks is a vital part of a person's basic living.
3. Anglia Ruskin University and the Students' Union is known for helping students with their financial statuses where workshops of how to deal with money matters.

Union Resolves:

1. To input a microwave in the canteen or somewhere it is accessible for students.
2. To ensure students use the microwave safely. The microwave can be located near a member of staff so that they have full view of what the student or even staff doing.
3. If there a serious health and safety risks of the student using the appliance we student/staff can ask the canteen staff to take full control of the microwave.
4. Other universities have microwaves such as York University.
