Policy Title:	More	Date Policy Proposed:	25/04/16
Proposer name:	Selina Grazia	Student ID Number:	1301759

Union Notes:

- Anglia Ruskin SU Notes that exams are a part of the University's method of assessment
- There is currently no policy on how many exams students can be expected to sit in one day.

Union Believes:

- Anglia Ruskin Believes that a policy on exam timetables will outline clearly what is expected from Students and the University.
- As a result this will cause reduced stress for students.
- This will in turn allow students to focus on their studies and enhance their performance
- Ensuring that there is no more than one exam per day will increase the amount of time that students will have to prepare for each exam

Union Resolves:

- Anglia Ruskin SU Resolves to lobby the University for a Policy around how many exams students could be expected to sit in one day.
- This policy should where possible be no more than one exam a day
- Where this is not possible the university should ensure a minimum break of 3 hours.
