

Why the online system

As of 2012/13 the option to elect Course Representative through an online system administered by the Students' Union was offered. These are some of immediate benefits of this system:

- Anonymous, secure nomination and voting
- SU instantly aware of elected Reps meaning training can start quickly
- Course Reps instantly accessible on "MyCourse" page for students to find
- Online nomination make it easy for students to nominate from anywhere (perfect for distance learners)
- Online voting make it easy for students to vote from anywhere (perfect for distance learners)
- Large scale Students' Union promotion
- Less administration for lecturing staff
