

Title:	Officer	Date of Summit:	DD/MM/YY
Proposer name:	Adora	SID:	VP Science & Engineering
Seconder name:	Arya Shaji	SID	VP AHSS

**Union Notes:**

Union notes the need for a full review of executive officer roles to reflect their specific responsibilities will provide clarity to students and convey the message that the Student Union prioritizes their personal well-being alongside academic success.

**Union Believes:**

- Union believes the proposal for a complete review of Executive officer roles within the student's union will enhance clarity and accessibility for students seeking assistance.
- Suggested example: Rename positions to titles to signify their role beyond academics.
- Provide students with a clearer understanding of Vice Presidents' roles as points of contact for both academic and non-academic issues, thereby improving transparency, accessibility, and effective representation within the Students Union.
- Union believes this will foster a supportive environment where students feel empowered to engage with the Students Union on matters concerning their well-being and academic success.
- There is a recognized need for representation from the Peterborough campus, as students there feel underrepresented,

**Union Resolves:**

- The Executive Officer roles within the Students Union will be reviewed and changed to reflect specific and relatable designations for students, with a focus on enhancing clarity and accessibility.
- A democratic review will be conducted to collect student feedback on the proposed changes, aiming to understand if renaming the Vice President roles is favourable among the student body.
- The need for a representative from the Peterborough campus will be addressed in the review process to ensure adequate representation of all student populations within the organization.
- The results of the democratic review, including feedback from the Peterborough campus, will be carefully considered in determining the final decision regarding the renaming of Vice President roles.
- The Students Union will continue to prioritize student input and engagement in all matters concerning the organization and its representation of the student body.

**Policy Summary:**

The Student Union is proposing revised roles, such as "VP Wellbeing & Welfare," for Vice Presidents to make their roles more comprehensible and relatable beyond academics. Additionally, there's acknowledgment of the need for representation from the Peterborough campus. A democratic review will gather student feedback on these changes, ensuring all student populations are adequately represented. If there is positive feedback from students, the Students Union will undoubtedly consider these changes. This reflects the Students Union's commitment to transparency, accessibility, and effective student representation.
