

Trans not Trans*

Title:	Trans not Trans*	Date of Student Council:	04/04/17
Proposer name:	James Morgans	SID:	1431768
Secunder name:	Jamie Vincent	SID:	1303378

Union Notes:

1. Trans* is an outdated term that is rarely used anymore and was actually created to define between binary and non-binary Trans people which is separating.

Union Believes:

1. That we should not be using terms that may be seen as offensive to a community of people.
2. That this term is outdated and thus needs updating within the union.

Union Resolves:

1. That we should stop referring to Trans students as Trans*
2. That the title of Trans* Rep should be changed to Trans Rep
