INCREASED FOOD VARIETY

Aim: To offer a wider variety of food that reflects student feedback and is good value for money

Objective(s):

1. I received data from the annual survey that Catering Services carry out, analysed the data and gave the Catering Services my proposal of 'recipe trial' to gather feedback about value for money and to introduce a variety of recipes that students have suggested. I agreed on the process with the head of Catering Terry Hope.	COMPLETED
2. The first part of the campaign was 'Recipe Suggestion', which included suggestion cards, a feedback box and comms material in the canteen where students were able to suggest recipes they would like to see served in the canteen. We also set up a Recipe Suggestions website to make the suggestion making process more accessible.	COMPLETED
3. Recipe suggestion period happened from 13 th till 24 th November, we gathered 250 filled recipe suggestion cards!	COMPLETED
