

Student Trustee Appointments Committee Recommendation

Introduction

On Thursday 9 November the Union's constituted Appointments Committee held interviews with two candidates who put themselves forward for the vacant Student Trustee positions on the Union's Trustee Board. Both candidates completed the application process and Trustee Declaration form and thus have met the requirements to be considered by the Committee.

The two applicants were:

- Helena Schofield
- Lusungu Muwowo

Each candidate answered a range of questions put to them by the Committee, including structured and follow up questions. One candidate, at the Committee's request, subsequently met two Committee members in an informal setting. On the basis of the interviews and informal meeting the Committee is confident both students can effectively contribute to the Union's governance and should be appointed to the Union's Trustee Board with immediate effect.

RECOMMENDATION

The Committee **RECOMMENDS** that Helena and Lusungu are appointed as Student Trustees in accordance with the Union's Articles and Bye-Laws
