Objective(s):				
1. Conduct primary research in the form of a survey	IN PROGRESS			
2.Generate a series of recommendations to improve the PT system	NOT STARTED			
Updates:				
 Ruth Taylor (Dean FHSCE & ARU lead on retention) and I are working together, and have agreed to survey both students and personal tutors to determine barriers to engagement with current system. Survey period will be late October / November. Not started – pending student feedback in form of survey 				
 Not started – pending student reedback in form of survey Ruth and I have advertised for a data analyst to conduct survey / focus groups and then collate information. The role should start in late November. We have successfully recruited for the role, starting on the 20th November. This person 				
will then begin to do a literature review, whilst simultaneously conducting focus groups of staff and students.
