

Candidate for the position of International Rep (Chelmsford)

Roman Ivanov

Good day to you! My name is Roman Ivanov. I am nominating myself for the position of International Student Representative. I truly believe we all have an unforgivable time here in Anglia-Ruskin and we could make it even better.

My aim is to help our students to achieve our maximum potential by using all the benefits and opportunities available for us, and to provide my support and assistance in case of any queries during our stay.

I wish you all the best and assure you that I will do everything to achieve this goal!

Regards

Roman Ivanov
