<b>Prepared for:</b>	Student Council	<b>Date:</b>	06/02/2018 – Due to lapse
<b>Prepared by:</b>	Laura Douds	<b>Role:</b>	Vice President (Science & Technology)

**Summary:** *This paper provides an update on the implementation of the policy*

1. To campaign to Estates and Facilities to create university regulations which ensure that all university owned buildings have at least one accessible GNT.	IN PROGRESS
2. To encourage Estates and Facilities to not only develop GNTs in the future but create or convert toilets that are gender neutral as appropriate.	IN PROGRESS
3. To proactively encourage or co-ordinate a Gender Neutral Toilets Audit of ARU core campuses (Cambridge, Chelmsford and Peterborough) to look into the practicality of converting any gendered toilets to become GNTs.	NOT STARTED
4. To actively review, amend and change policy on GNTs for future developments such as gendered/non gendered signage of toilets and expanding this policy to accommodate gender neutral single cubical changing room facilities for the gym.	IN PROGRESS

### Updates:

1. Estates have reassured me that their new-build policy requires GNTs in each new building, however no word on if it is required in all buildings yet.
2. Received a reply to my initial enquiry about GNTs and converting some, specifically concerning Helmore/LAB as those are where I've had feedback from. The initial response was to ask about renaming accessible toilets to act as dedicated GNTs, however I asked for student feedback and it was a resounding no. I replied to Sandy Lynam's email and she has since said she's taking the student feedback 'very seriously' whereas before it was a hard no on converting.
3. Not started.
4. MG and I need to chase AA/Sandy Lynam.
